BREAK THE PAPER CHAIN

INTRODUCING AN EASY, AFFORDABLE esMD SOLUTION

MEA has the key to unlock time, money and lengthy payment cycles. For just **$9.95/month*** providers can electronically capture, submit and store medical documentation for RAC, MAC, CERT, PERM and ZPIC audits.

And, if you **register now**, this low introductory rate will **never increase**.

We make it easy to get started immediately. Simply sign up, download the desktop application, watch a short demonstration—and you can start sending documents within an hour.

MEA is a CMS-certified Health Information Handler (HIH). Our easy-to-use, electronic submission of medical documentation (esMD) solution improves the auditing process by:

- Eliminating lost documentation
- Reducing the payment cycle by as much as 50%
- Reducing paper, toner, postage and fax charges
- Providing HIPAA-compliant transmission and storage
- Allowing access to a personal online portal for reporting and image history
- Sending an electronic confirmation of receipt

With MEA, there's no need to worry about your documentation making it to CMS and the Medicare contractor. We guarantee delivery and provide electronic confirmation of receipt from both parties all at an affordable cost.

FOR A LIMITED TIME ONLY CONNECT TO THE esMD GATEWAY FOR JUST $9.95/MONTH
